Reviews

The very best book i actually read. I was able to comprehend every little thing using this composed e publication. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WOMEN ONLY: THE GYNECOLOGIST IS IN: REAL LIFE STORIES

Blue Dolphin Publishing, United States, 2010. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Moving and heartfelt. Dr. Birken expresses the physician s side of the patient relationship with grace and candor. Craig A. Miller, M.D., author, *The Making of a Surgeon in the 21st Century* Dr. Birken is authentic, empathetic, and utterly human in his amalgam of tales on those conditions that most impact women s lives. His creative non-fiction will intrigue, and lighten, and inspire readers of both genders. James A. Schaller, M.D., author, *Do Yourself a Favor: Love Your Wife* Dr. Birken does a superb job in bringing human warmth and humor to an otherwise, clinical profession. His unique approach to revealing the strength and composure of his patients in crisis allows the reader to enter the inner world of doctor and patient, a heretofore revered and confidential one, to become a part of the story. Dr. Birken is a renowned doctor in his own right, but had the courage to seek additional training in the art of creative writing, having obtained a Master of Liberal Arts Degree in Literature twenty years after his M.D. His patient-composite approach is refreshing and avoids many of the pitfalls that occur in other medical accounts of the doctor-patient relationship that usually come across as clinical and perfunctory. His chronological approach, using the woman s lifespan as a guidepost to the myriad of illnesses awaiting an otherwise healthy female medically and psychologically, is both intriguing and inspirational. Dr. Birken has a potential bestseller, and women and men will buy this book if they want an inside look at the ideal doctor-patient relationship at a time when patient trust in organized medicine is lacking. Those who enjoyed Oliver Sacks *The Man...*
