

Among the Grackle

By Maria Naccarato

Paperback. Book Condition: New. Paperback. 269 pages. Among the Grackle takes place during the aftermath of the recent housing crisis. Utilizing elements of the quantum mechanics theory wherein every possible choice results in an alternate reality, the story follows Elle Serrano through two simultaneous lifetimes. In one, Elle is a CPA working for a global banking conglomerate. In the other, she is a wife and mother recovering from medical and financial trauma, whose home is threatened by the same corporate bank. In both, she must come to terms with the impact her actions have on those closest to her. In doing so, Elle acknowledges that sometimes even the most intimate decisions, made within the intricate web of love and family, have the potential to change the world. Relevant and well-imagined, the experiences of the characters insightfully bear witness to the corrosive effects of corporate greed and political corruption on private lives, while simultaneously providing narrative for the hopefulness of the human heart. Timely in its suggestion that a perilous future may well be at hand, it also serves as reminder that should we prevail, we do so only through compassion and personal accountability. This item ships from multiple locations. Your...
