iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One More Beer and I Gotta Go will offend you in some way. That is a promise. From the moment you first meet James Laslow, you will immediately fall in love with him and hate him. Yet, you will love him and hate him for one simple reason. You see him inside of you. These are his memoirs from his senior year in high school all the way until his ten-year class reunion. Never will you find a boring moment inside of One More Beer and I Gotta Go from the high school running back that wants to be a magician to the bachelor party from hell where the groom s father does a keg stand to eating cold Chef Boyardee at a tavern in the middle of nowhere. These are laugh aloud anecdotes, but in between those insane stories of his youth come nuggets of truth showing what is real from his best friend to his love life. Simply think Dazed and Confused meets American Pie meets Breakfast at Tiffany s meets Scooby-Doo meets Romeo and Juliet.
