Xmas Eve: the Prussian Death Squad Robot commandos (with Live Action Grappling Hooks!) disappear en masse. A panicked CEO places an early morning call for help. Ignoring Call Waiting, Marlowe and Nina answer, launching them yet again into the seedy, dumpster-filled underbelly of the City's criminal underworld. You'd think they'd have learned by now to pay attention to Call Waiting. 'Tis the season to stop the nefarious holiday-themed criminal organization from giving away the Most Wanted Toy of the Year. Otherwise, the poor conglomerate that manufactures the Prussian Death Squad Robot Commandos (with Live Action Grappling Hooks!) will be crushed. And if that isn't incentive enough, failure means Marlowe and Nina will be executed. The Santa Claus Gang is a short story set after the action of Marlowe and the Spacewoman, but before the nail-biting excitement of Balloons of the Apocalypse. And now, for a limited time, it's available in English!.
