2017. Paperback. It gives the reader detailed input in to such interesting topics like the composition of ancient Indian armies, place of army in the Hindu Political thought, outline of ancient Indian armies, cavalry, war chariots, naval warfare, military espionage, various ancient Indian military weapons etc. Archaeological evidence consists mainly of the ruins of old towns and forts, ancient sculptures, paintings, coins and inscriptions. Then for several years I could not proceed with the work owing to private preoccupations. It was, however, resumed in 1936 when I went to England on study leave.
