Pearson Education (US), United States, 2012. Paperback. Book Condition: New. 229 x 190 mm. Language: English . Brand New Book. Adobe Photoshop Lightroom was designed from the ground up with digital photographers in mind, offering powerful editing features in a streamlined interface that lets photographers import, sort, and organize images. This completely updated bestseller was also written with photographers in mind. Author Martin Evening describes features in Lightroom 4 in detail from a photographer s perspective. As an established commercial and fashion photographer, Martin knows firsthand what photographers need for an efficient workflow. He has also been working with Lightroom from the beginning, monitoring the product s development and providing valued feedback to Adobe. As a result, Martin knows the software inside and out, from image selection to image editing to image management. In this book you ll learn how to: * Work efficiently with images shot in the raw or JPEG format * Import photographs with ease and sort them according to your workflow * Create and manage a personal image library * Apply tonal adjustments to multiple images quickly * Integrate Lightroom with Adobe Photoshop * Export images for print or Web as digital contact sheets or personal portfolios * Make the most of new features in Lightroom 4, such as the Camera Raw Process 2012 Basic panel tone controls Photographers will find Lightroom 4-and The Adobe Photoshop Lightroom 4 Book-indispensable tools in their digital darkrooms. This book s companion site, offers video tutorials, articles, sample images, and updates from author Martin Evening. With Martin s expert guidance, you ll soon find that you have precisely the tools you need to turn your concentration back where it belongs-on making better pictures! -George Jardine, digital photography consultant As a photographer himself, Martin Evening knows what tools photographers need to...
