

## Statism: The Shadows of Another Night

By -

Fortress Book Service. Paperback. Condition: New. 156 pages. Dimensions: 8.9in. x 5.8in. x 0.4in. Statism: The Shadow of Another Night is an anthology on the subject of statism, with a special emphasis on early indicators and movements. Many aspects of statism, and even the word statism itself are clearly unknown to the public; so a book warning about these dangers that are faced when the government is seen as ultimate reality (R. C. Sproul) is urgently needed. The cover (the memorial at Dachau concentration camp), depicting the final solution of a statist government gone completely mad, is deliberately ominous and serious as this subject should be. The winds of war can be halted, but only when law-abiding citizens, who understand what is at stake, are willing to engage the enemy and teach others to do the same. Article contributions and documents from: Peter Lillback, C. S. Lewis, R. C. Sproul, Ronald Reagan, Dwight Eisenhower, Tim Keller, John Frame, Francis Schaeffer, Michael Milton, Richard Hannula, Nell Chinchin, D. James Kennedy, Douglas Kelly, Jerry Newcombe, Mostyn Roberts, George Grant This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
