In all foraging, he said, of whatever kind, the parties engaged will refrain from abusive or threatening language, and may when the officer in command thinks proper, give written certificates of the facts, but no receipts; and they will endeavor to leave with each family a reasonable portion for their maintenance. There was no sentimentality in his provisions for coping with live contraband: Negroes who are able bodied and can be of service to the several columns, may be taken along; but each army commander will bear in mind that the question of supplies is a very important one, and that his first duty is to see to those who bear arms.
