Dover Publications Inc., United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. One of the earliest examples of steampunk literature, this 1868 tale was also among the first American science-fiction novels and the very first literary instance of a mechanical man. Extremely popular and much imitated in its day, the story concerns a teenage inventor who constructs an automaton to help him explore the American prairie.
