

The Inclusive God: Reclaiming Theology for an Inclusive Church (Paperback)

By Hugh Rayment-Pickard, Dr. Steven Shakespeare

CANTERBURY PRESS NORWICH, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This short, accessible and compelling book argues that an inclusive vision of God lies at the heart of Christian theology. Since the 1960s liberal theology has been driven by social justice issues and an ethic of tolerance. This has not been enough to check the rise of neoconservative theologies that now predominate in the Churches. Liberal theology now needs to stake a claim for the very identity of Christianity itself, showing how mainstream and inclusive values have always been a central strand of Christian thinking and represent the majority view.
