Turn Your Child's Passion Into High School Credit! Using Delight to Ignite LearningHomeschoolers understand that a solid high school education involves more than just the standard high school courses. It is true that mastering science, math, and literature is important for homeschoolers (vitaly important if college lies ahead), but equally important are subjects the student is passionate about, subjects they will study for hours on end, just for the fun of it. Delight directed learning is the true secret sauce of a great homeschool education. But do you know. What are these delight directed topics? How can you recognize them?How can you help your student discover them?How can they be captured and reflected on your student's educational records? Here's Why You Need This Book: In Delight Directed Learning, you'll discover how to use your child's interests to make them stand out in a crowd of college applicants. Fostering delight can help launch a career in business, or industry, or the arts. It can lead to life-changing internships and real world work experience, and can open doors not just to college, but to life! Delight Directed Learning, is part of The HomeScholar's Coffee Break Books series. Designed especially for parents who don't want to spend hours reading a 400-page book on homeschooling high school, this series combines Lee's practical and friendly approach with detailed, but easy-to-digest information, perfect to read over a cup of coffee at your favorite coffee shop! Never overwhelming, always accessible and manageable, each book in the series will give parents the tools they need to tackle the tasks of homeschooling high school, one warm sip at a time....
