Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Alabama. 1812. The southwestern frontier of the young United States spans hundreds of miles between the Mississippi River and the Appalachian Mountains. The region is home to dozens of Native American tribes, American settlers, and the soldiers of Spain, France, England, and the USA. It is a melting pot unseen since the Persian Empire. On the banks of the Coosa River, William Weatherford manages brisk business from his trading post. He is the son of a Scottish military man, who served under George Washington, and a Creek Princess from the sacred Deer family. He moves through both worlds, native and European. He is known as Red Eagle among his Creek brothers. He commands respect. He is the sinew that holds his community from the brink of conflict. But as Red Eagle and his family steer the course of peace, rivals tussle for control of the land. A series of slights pushes the Creek Nation into standing their ground against the power-hungry Governor of the Alabama. When Red Eagle declines to choose sides, his side is chosen for him. With his wife and child murdered and his home burned to the ground. Red Eagle takes command of the Creek forces. He leads a strategic guerilla war of resistance that paralyzes the Governor and forces the US Government to call in General Andrew Jackson to quell the conflict. Through years of battle, Red Eagle commands Jackson s respect, but the radical factions of his own men - led by his half-brother, the Prophet Josiah - create dissent in his victory plan. As attrition hits both sides and the rivers of Alabama run red with the blood of citizens, how far will Red Eagle go...
