

Mental Arithmetic Answer Book 4 (New edition)

By T. R. Goddard, J.W. Adams, R.P. Beaumont

Schofield & Sims Ltd. Paperback. Book Condition: new. BRAND NEW, Mental Arithmetic Answer Book 4 (New edition), T. R. Goddard, J.W. Adams, R.P. Beaumont, Mental Arithmetic is a highly differentiated, progressive series of books, proven to raise children's attainment (alone or in conjunction with the I Can Do Teacher's Guide which explains how to use the books as a scheme of work in schools). The series is based on ability (rather than age cohorts) so that books can be matched to the needs of every child (including supporting transition from KS1 to KS2 and KS2 to KS3). The books are also assessment-linked so that children can record their own progress and see their achievement build over time. Each book uses the same method of practising the 4 basic number operations (to keep skills sharp) and challenging children to do more complex one- and two-step problems involving logical thinking and application of knowledge previously introduced. Each answer book includes: guidance on how to use the pupil books and mark results, notes on strategies/skills/knowledge covered by each book and a photocopiable record sheet.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.

-- Justus Hettinger
