Most of the scholarly findings were relating the legends associated with Jesus the Christ with Lord Krishna of India, others were finding Buddhist element in his teachings and character. Yet another type of studies were negating the historicity of Jesus the Christ. In view of all these conflicting and contradictory findings one gets confused and face a volley of questions as to whether Jesus really lived in India. Whether there was any person known as Jesus in first century. Was he born to a virgin or not? Was he born on Dec. 25th or some other date? Did he really start preaching at the age of 30?
