Alfred Music, 2001. Paperback. Condition: New. Language: English . Brand New Book. Students with a sense of humor will enjoy this late elementary solo by Rosemary Barrett Byers. Written in 2/4 meter and Middle C position, students will find the heavy accents fun to play and very effective in creating the stomping effects. With the optional duet part, fun visual effects are created as performers reach around and in front of each other to play the upper and lower registers of the piano.
