Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Brief Sketch of the Work of Matthew Fontaine Maury: During the War 1861-1865 when I took charge of the Georgia Room, in the Confederate Museum, in Richmond, Virginia in 1897, I found among the De Renne collection an engraving of the pleasant, intellectual face of Commodore Matthew Fontaine Maury, so I went to his son. Colonel Richard L. Maury, who had been with his father in all his work here, and urged him to write the history of it, while memory, papers and books could be referred to; this carefully written, accurate paper was the result. At one time, when Commodore Maury was very sick, he asked one of his daughters to get the Bible and read to him. She chose Psalm 8, the eighth verse of which speaks of whatsoever walketh through the paths of the sea, he repeated the paths of the sea, the paths of the sea, if God says the paths of the sea, they are there, and if I ever get out of this bed I will find them. He did begin his deep sea soundings as soon as he was strong enough, and found that two ridges extended from the New York coast to England, so he made charts for ships to sail over one path to England and return over the other. The proceeds from the sale of this little pamphlet will be used as the beginning of a fund for the erection of a monument to Commodore Maury in Richmond. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology...
