Brand New Book ***** Print on Demand *****.A CHANGE IN PERSPECTIVE CAN CHANGE A LIFE.Many millions of people in the U.S. alone have one or more disabilities, sometimes resulting in their being viewed as different and sometimes as less worthy of consideration, or being treated differently than those viewed as normal. But the reality that those with disabilities are fundamentally the same as everyone else is one of the lessons learned by Keith, an average man much like most others. It was during an unexpected meeting one summer afternoon with two disabled people and their caregiver, when Keith came to the realization that rather than labeling the disabled, it is better to disable the label. He learned that what is at stake, for each of us, is a destiny which results in a life of fulfillment or one of despair. Ben Nelms is a journalist in metro Atlanta. He has received a number of awards in areas such as investigative reporting, community service and environmental reporting. Prior to his time in journalism, Ben spent nearly two decades in Human Services, working in direct service, management and administrative positions with people diagnosed with developmental and other disabilities....
