CALICO JUNGLE (HARDBACK)

Islandport Press, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. A mother gives her little boy a handmade quilt, but it s more than just a quilt. It s a whole world where fantastical animals run, hide, swim, and frolic in a calico jungle. The boy enters this wild landscape and travels through it. He spies calico birds pecking at fruits, sees calico elephants giving each other shower baths, discovers spotted horses, striped lions, and calico fish shining like jewels. As he nears the far side of the quilt, the animals he encounters are curled up asleep. The boy grows sleepy, too. His eyes close and he dreams that he is walking through the calico jungle, under the flowering trees, where all the strange and wonderful animals lived. This marvelous book by renowned artist and illustrator Dahlov Ipcar will spark every child s imagination, inspire them to question what is real, and invite them to explore a world full of color and possibility.
