FACING LEVIATHAN: LEADERSHIP, INFLUENCE, AND CREATING IN A CULTURAL STORM

Moody Press,U.S., United States, 2014. Paperback. Book Condition: New. New.. 203 x 135 mm. Language: English . Brand New Book. There are two styles of leadership at war in the world.On one side the mechanical leader casts a vision of heroic action aided by pragmatism, reason, technology, and power.On the other side the organic leader strives to bring forth creativity, defying convention, and relishing life in culture s margins.This leadership battle is at the heart of our contemporary culture, but it is also an ancient battle. It is the reinvocation of two great heresies, one rooted in an attempt to reach for godlikeness, the other bowing before the sea monster of the chaotic deep.Today s leader must answer many challenging questions including: What does it mean to lead in a cultural storm?How do I battle the darkness in my own heart?Is there such a thing as a perfect leader?Weaving a history of leadership through the Enlightenment, Romanticism, tumultuous 19th-century Paris, and eventually World War II, cultural commentator Mark Sayers brings history and theology together to warn of the dangers yet to come, calling us to choose a better way.
