Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)*

THE MAKING OF A PHILOSOPHER (PAPERBACK)

HarperCollins Publishers Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Part memoir, part study, *The Making of a Philosopher* is the self-portrait of a deeply intelligent mind as it develops over a life on both sides of the Atlantic. *The Making of a Philosopher* follows Colin McGinn from his early years in England reading Descartes and Anselm, to his years in the states, first in Los Angeles, then New York. McGinn presents a contemporary academic take on the great philosophical figures of the twentieth century, including Bertrand Russell, Jean-Paul Sartre, and Noam Chomsky, alongside stories of the teachers who informed his ideas and often became friends and mentors, especially the colorful A.J. Ayer at Oxford. McGinn's prose is always elegant and probing; students of contemporary philosophy and the general reader alike will absorb every page.
