

The Fixation of Atmospheric Nitrogen (Classic Reprint) (Paperback)

By Joseph Knox

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Fixation of Atmospheric Nitrogen Comparatively little work of importance on the theoretical Side of nitrogen fixation has appeared since the first edition of this book was published. On the other hand, the development of fixation processes on the technical Side received an enormous impulse under the stress of war conditions. The chief progress has been in the production of synthetic ammonia by the Haber and cyanamide processes, and in the methods of oxidising ammonia to nitric acid. The expansion in the production of synthetic nitrogen compounds has been remarkable. The estimated production of the various nitrogenous compounds for 1917, in Short tons of nitrogen, is given as follows by the American Ordnance Department. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
