How does one prepare for this inevitable transformational journey? In *Lucid Death*, author Kienda Betrue presents a guide to the possible afterworlds. From the religions of the world to original hypnotherapy research into the landscapes beyond life, she offers maps to the spiritual places and events that may be encountered after death. *Lucid Death* places religious beliefs of the afterlife from around the world and throughout time into a context of cosmology and the evolution of consciousness fit for the twenty-first century. Betrue communicates how life and death are seen as both universal and intimately personal, and she shares spiritual regressions that provide living images of life and death, and karma and reincarnation. Including the wisdom traditions of a variety of world religions, *Lucid Death* offers spiritual truths and tools for accomplishing life and death in noble, enlightened, and empowered ways. *Lucid Death* is fabulous. The conceptual matrix is vast yet precise. It offers an understandable worldview that nestles human life between the microcosm and the macrocosm in a cozily affirming, yet crisply realistic way. -Burnette Carchedi, artist and musician We are fortunate that the author applies her extraordinary inner capacities to explore the mysteries of karma and reincarnation. Rarely do we encounter such an accessible and multicultural rendering of the journey of the soul through the spiritual worlds after death. -Ignacio Cisneros, spiritual scientist.
