Excerpt: . . . 11 innovation and competitiveness, entrepreneurship, regional collaboration, and connection to the worldwide market. These four cornerstones of EDAs approach have been successful in creating high-er-skilled, higher-wage jobs, attracting private investment and preparing Americas regions for success in the 21st century. In selecting projects for investment, both for distressed Native American commu-nities as well as other distressed areas, EDA relies on grassroots ideas. When eco-nomic development strategies are developed by local decision makers, the whole process works better. S. provides foreign aid to under-developed...
