

Snow Snakes (Paperback)

By Gary Schaffer

Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.OUR LOVED ONES DON T REALLY LEAVE US. NOT FOR THOSE WHO TRULY REMEMBER. It s been nearly one year since John Mathews lost his battle with cancer, leaving behind a family that has done their best to carry on without him. As Christmastime approaches -- and the anniversary of John s death draws near -- son Tom confronts startling visions of the past, back when his dad was around. They re getting stronger with each December snow. And he s not the only one affected by the visions: Tom s mother and others in this rural northern Wisconsin community also feel John s presence. Now, leaving home for the first time, Tom embarks on a four-day trip that will touch the lives of those he meets along the way and generate an internal strength through a connection to someone who is no longer physically present. Snow Snakes is at once a portrait of a family and community struggling to come to terms with loss, and a treatise on the healing power of memory. What emerges is a lesson for us all...

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Leopold Hills

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
