THE BIG BOOK OF SAINTS FOR EVANGELICALS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book has a theme song, dedicated to the poor Protestants who have no saints of their own and thus no celebratory days to mark their calendars. For all the Saints, who from their labors rest, We can't let the Catholics have the very best! So we created these, who pass the sainthood test, Alleluia! Alleluia! This book is aimed mostly at Calvinists and Fundamental Baptists, those people who are always nagging the rest of us about why we shouldn't celebrate Halloween, Christmas, and Easter. Here you go: holidays that you can celebrate. Easy to read, light-hearted, designed for family entertainment. This book is made up of nine short stories of saints or their fest days, written with respect for the Christian faith, but comical. If you recall the Fractured Fairy Tales from Rocky and Bullwinkle, think along those lines. But each story shows the Christians doing the right thing. Licensing agreement on flyleaf allows podcasters and non-commercial theaters (such as home schoolers) to script the stories and narrow cast or broadcast them.
