DESTRUCTION WAS MY BEATRICE: DADA AND THE UNMAKING OF THE TWENTIETH CENTURY (HARDBACK)

INGRAM PUBLISHER SERVICES US, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. In 1916, as World War I raged around them, a group of bohemians gathered at a small cabaret in Zurich, Switzerland. After decorating the walls with art by Picasso and other avant-garde artists, they embarked on a series of extravagant performances. Three readers simultaneously recited a poem in three languages a monocle-wearing teenager performed a spell from New Zealand another young man sneered at the audience, snapping a whip as he intoned his Fantastic Prayers. One of the artists called these sessions both buffoonery and a requiem mass. Soon they would have a more evocative name: Dada. A globe-spanning narrative that resurrects some of the 20th century's most influential artistic figures, *Destruction Was My Beatrice* describes how Dada burst upon the world in the midst of total war, and how the effects...
