There are more singles today in our nation than ever, and yet they are often overlooked or marginalized in our Christian culture and churches. But God's view of singlehood is not the same as how many may view it. He places a very high value on His singles, and we should too. Taking truths from 1 Corinthians 7, Dr. Evans shares three vital principles for singles. These include how to wait on the Lord and His timing and direction. He also looks out how to work for God and experience the satisfaction of fulfilling your personal calling in life. Lastly, he closes with a look at being wedded in the Lord - whether that is through an eventual marriage or through your personal relationship with Jesus Christ. In this hope-filled and popular title, Dr. Tony Evans encourages us to embrace the often unheard biblically-based truth about singlehood: Being single is more desirable for a Christian than being married! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
