Discovering your deeper potential for success, happiness, health and fulfillment can change your life and open up the possibility of a truly empowered existence. Dr Gerry Canfield brings decades of professional experience and expertise to this comprehensive guide to the art of successful living, exploring the importance of setting goals and managing your time, developing better relationships and becoming an effective leader, taking better care of your body and using supplements to boost your health. The material in this book is for every day of the year. It s a 365-day journey to a greater expression of your true potential and I salute your commitment to living the best possible life that you can. Enjoy the journey! If you ve ever come across the idea that every day, in every way, you re getting better and better, you can thank an early French pioneer in the field of self-transformation, the celebrated Emile Coue, for deciding to share the benefits of his methods with the rest of the world during the nineteenth century. The purpose of this book is to lend weight, support, encouragement and practical advice to your process of personal transformation. Each chapter contains a number of components that you can use to further your quest for a happier, healthier, more successful and more fulfilling life. Try to choose and activate one paragraph each day into your new life! The book has been designed to help you: Find the humor in every situation to lower your stress Improve the quality of your relationships Understand the power and importance of setting goals for yourself Create time and attention for your family and friends Develop effective leadership skills Learn to listen with...
