Not illustrated. 1914 Excerpt: .doing harm, particularly when the stomach is irritable, still lingers to a considerable extent among the people, and is by no means extinct even in the professional mind. I attended in January last a case of pneumonia, in which the water supply had been limited, though the patient urgently demanded it, because there was occasional sick stomach. This was prior to having charge of the case. Almost my first proceeding was to give the patient a watery saturation so to speak. by allowing him to drink what he thought satisfied him, then by coaxing getting nearly as much more swallowed; very little came back by vomiting, the want was cancelled, and the water supply was kept up by lemonade during the remainder of the time he was under professional notice. T often give water as hot as it can be swallowed in large volume, say one...
