Outskirts Press, United States, 2010. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.If parenting were easy, it wouldn't begin with something called labor. This book offers Dr. Bruett's insights, philosophies and suggestions to make the parenting process easier and more enjoyable. His common sense, tough love (with an emphasis on love), parent-in-charge approach is written in a conversational, easy-to-read style. He provides many delightful, and informative stories and narratives to entertain the reader while further explaining and reinforcing his parenting philosophies. Parents will not feel judged or pressured by Dr. Bruett's straight forward style. He has an immediate connection with the reader that leads the reader to an ah ha experience about effective parenting. In this charming, comprehensive parenting guide both general philosophical topics and specific parenting issues are addressed. General topics such as, Common Sense Parenting, Unconditional Love, and Who's in Charge?, are insightful, witty and written in an easy to understand manner. Dr. Bruett explains his concept of parents being Benevolent Dictators. His philosophy of children having an opportunity to voice their feelings and opinions, but not having a vote in the family, is presented as a cornerstone of parents being in control. Two critical components of parenting, Consistency and Unconditional Love, are presented in a clear and direct language. There is a two chapter discussion about how children learn the differences between punishments and consequences. Parents learn how to properly react to their children's behavior with positive or negative consequences. There are chapters that include Family Values, Teaching Responsibility, and Developing a Work Ethic which are informative and extremely important in today's society. Specific child rearing issues are also presented throughout this manual such as Potty Training, New Baby/Sibling Rivalry and...
