University of Nebraska Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One hundred and eighty years after Lewis and Clark s Voyage of Discovery (1804-1806), Dayton Duncan set out in a Volkswagen camper to retrace their steps. Out West is an account of three separate journeys: Lewis and Clark s epic adventure through uncharted wilderness; Duncan s retracing of the historic trail, now in various ways tamed, paved, and settled; and the journey of the American West in the years in between. Readers traveling with Duncan will encounter the people who inhabit today s West: farmers and ranchers, cowboys and mountain men, Native Americans, residents of dying small towns, city dwellers who have survived cycles of boom and bust. From the Gateway Arch in St. Louis to the Oregon coast, readers will be treated to a landscape as variously impressive as its people.
