Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Repertoire General des Sources Manuscrites de l Histoire de Paris pendant la Revolution Francaise, Vol. 3 Le troisieme tome de notre Repertoire general des sources mmscrites de l histoire de Paris pendant la Revolution francaise clot la periode de la Constituante, il complete l inventaire methodique des documents d archives concernant l histoire administrative de Paris, durant les trois premieres annees du regime inaugure par la Revolution. Nous avons, conformement au plan suivi dans les deux volumes precedents, recueilli et groupe tout ce qu un depouillement attentif de nos depots publics apn nous fournir sur les diverses branches de l administration parisienne. Les pieces relatives aux services administratifs de la capitale pendant la Revolution sont tellement disseminees, noyees en quelque sorte dans des masses enormes de papiers, le champ des recherches est si vaste qu on pourra signaler plus d une lacune dans cet ensemble de documents, mais si incomplet que puisse etre notre travail, il epargnera certainement bien des investiga tions aux travailleurs en leur revelant l existence de nombreuses pieces de nature a faciliter singulierement la tache de ceux qui voudront entreprendre l etude des rouages de l administration parisienne. Un expose rapide des sujets varies, qui entrent dans la composition de notre volume, permettra de se rendre compte de l importance des materiaux que nous avons reunis sur l organisation municipale.
