Brand New Book ***** Print on Demand *****.What I am beginning to do is find ways to speak about the things the Holy Spirit is telling me. Now, I know that many are teaching that God is not speaking to us, this generation of people, Because Jesus said that on his returning to Glory, he was going to send the comforter, the Holy spirit, that would our guide, as well as our teacher, if this is true and it is, then how is it that God the Holy spirit is not able to speak to us? So, this book is about training your thinking to put God first, by doing so, you are putting first your best, because his best has already been established, it is called, today. Yesterday has gone on, and it will never return, tomorrow is now called today, you can t get back what you didn t get yesterday, but you can achieve everything that God has for you today. As you put forth your efforts according to the open will of God, you are putting forth your best day why? Because everything God does is good, it is his best, and God does not make mistakes, so, by putting it in the hands of God, you are putting forth your best day.
