

Chasing Rumor: A Season Fly Fishing in Patagonia

By Cameron Chambers

Patagonia Books. Paperback. Book Condition: new. BRAND NEW, Chasing Rumor: A Season Fly Fishing in Patagonia, Cameron Chambers, A blip of prosperity at the turn of the 20th century brought American trout to Patagonia, then for a half-century they were forgotten to fight wars and build a nation. Rediscovered by fishermen a half-century later, the fish had grown to epic proportions. In Chasing Rumor, Cameron Chambers chronicles his modern-day pilgrimage to the rivers of Patagonia in pursuit of these legendary 20-pound trout. What started as a trip focused on catching fish became a love affair with the Patagonian landscape, environment, and, mostly, the people. From a business mogul turned B&B owner to a kid determined to save a local trout population, Chasing Rumor is at times the story of a handful of fishermen, and at other times a tale of enormous trout.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
