Pub Date: December 2012 Pages: 532 Language: Chinese Publisher: China Renmin University Press classic of Business Administration Renditions Strategic Management: Concepts and Cases (10th Edition) (New Edition) Features: New Boot the case and Strategic Focus column. We continue to provide readers with the tradition of the new guide case and strategic focus column. In addition, each chapter are interspersed with a new company case. Through these cases, we vividly demonstrated the reality is the use of strategic management process to beat the competition, improve the company's performance, of which there are many competing companies in the domestic and international market. New case. Case part of the book is the case of the organization of the United States and other countries effectively together, which in many cases are accompanied by complete financial data. These latest cases to provide readers with the application of strategic management process, understand the organizational conditions and background, as well as the opportunity to make appropriate recommendations on the main concern. Many of the comments. Note book book to add new content, provide a strong support for the latest strategic management thinking. Note In addition to the book brings together classic and the latest research results, but also can prove that the book with reference to the most cutting-edge ideas in the field of strategic management. The novel concept. Book in several chapters of today's latest strategic management thinking. For example, the multi-cultural management (Chapter 1), cloud computing (Chapter 5), a strategic alliance in the public-private partnership (Chapter 9), open innovation (Chapter 13). Added new content. We added a new chapter. For example, the link between knowledge spillovers and innovation, 85% of shareholder value is created...
