## The Ingenious Engine of Reality: Challenge Your Habits and Free Yourself by Discovering the Lessons of Neuroscience to Understand Yourself and Other People Better. (Paperback)

By Barry Evans

Code Green Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Is free will deterministic, can you motivate an old dog to learn new tricks and where does creativity flow from? The Ingenious Engine of Reality is a voyage of discovery into the meaning and application of consciousness. It starts by exploring recent advances in neuroscience to ask why and how we do things. It provides a cornucopia of useful links to management theory, philosophy, science and more. We are living through a pivotal point in human social evolution at which many stubborn and counter-productive dogmas are being successfully challenged. These include erroneous assumptions and beliefs about the brain and consciousness. The Ingenious Engine of Reality highlights the work and courage of amazing scientists and thinkers who have used the tools of deep mathematics, rigorous science, tireless research and often startlingly obvious psychology to defy the limitations of these beliefs. They are discovering how we interpret reality to learn and adapt. They explain how we sometimes avoid reality altogether, making things harder for ourselves with our habits and beliefs. You do not have to be a scientist, mathematician or medical professional to...
