

Being Assertive: Finding the Sweet-Spot Between Passive Aggressive (Paperback)

Filesize: 1.87 MB

Reviews

The very best publication i actually go through. It can be packed with knowledge and wisdom It is extremely difficult to leave it before concluding, once you begin to read the book.

(Rhea Kunze)

BEING ASSERTIVE: FINDING THE SWEET-SPOT BETWEEN PASSIVE AGGRESSIVE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Assertiveness is a zone on the spectrum of human behaviour that lies between Passivity and Aggression. This book shows you how to find that sweet-spot, not always an easy thing to do in the ever more complex world of today. Being Assertive is fundamentally about rights; yours and those of others and finding a balance between them. An aggressive person violates the rights of others, while the passive person violates their own. The assertive person finds a win-win way to balance these sometimes competing interests. Learning to live in the zone of assertiveness has many benefits; your self-esteem will improve, the quality of your relationships with others will improve and deepen.
