Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DIFFERENTIAL DIAGNOSIS AND TREATMENT OF DISEASE: A TEXT-BOOK FOR PRACTITIONERS AND ADVANCED STUDENTS (CLASSIC REPRINT) (PAPERBACK)[DOWNLOAD PDF](#)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Differential Diagnosis and Treatment of Disease: A Text-Book for Practitioners and Advanced Students To bring the broad domain of practical medicine fairly within the grasp of the family physician, and to assist the advanced student in acquiring a clinical foundation has been my aim. The general practitioner, representing the unity and connection of the various branches of medical practice, must grasp the practical details of his art in order to be useful at the bedside; and a book to be of value to the family physician should convey clinical experience Without the exhaustive and often purely theoretical details to be found and sought for in monographs. Such a work I have endeavored to write. Disease is neither medical nor surgical nor does it hover on the border lines, but the treatment of disease has become more surgical and the arbitrary division into medical and surgical disease is no longer tenable. This unitarian principle should not be ignored in the presentation of disease, and many methods of diagnosis and treatment originally worked out by the specialist have become, or should become, common property. Drugs no longer dominate our therapeutics; therefore the prominence given to hygienic, prophylactic, dietetic, hydrotherapeutic, and physical methods of treatment. At the same time Well-tried and valuable formulae are distributed throughout the book. In prescription writing the apothecaries weight and not the metric system has been used. However, simple rules for converting one into the other are given. The special chapters on...
