Sage Publications Ltd, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. The German sociologist and philosopher Georg Simmel (1858-1918) is recognized as a leading early twentieth-century European social theorist. This collection enables the reader to engage with the full range of Simmel s dazzling contributions to the study of culture. It opens with Simmel s basic essays on defining culture, its changes and its crisis. These are followed by more specific explorations of: the culture of face-to-face interactions; spatial and urban culture; leisure culture; the culture of money and commodities; the culture of belief; and the politics of female culture.
