SAP Certified Solution Manager Associate - Configuration for Operations for SAP Solution Manager 7.1 (SM100) Questions with Answers and Explanations Clearing the Solution Manager Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 2 years project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification matters much less. So if you have little or no SAP-Solution Manager experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. Helping you with the first step on you ladder to success is this book. This item ships from La Vergne, TN. Paperback.
