

Defending Life: A Moral and Legal Case Against Abortion Choice

By Francis J. Beckwith

Cambridge University Press. Paperback. Condition: New. 314 pages. Dimensions: 9.0in. x 6.1in. x 0.9in. Defending Life is the most comprehensive defense of the prolife position on abortion ever published. It is sophisticated, but still accessible to the ordinary citizen. Without high-pitched rhetoric or appeals to religion, the author offers a careful and respectful case for why the prolife view of human life is correct. He responds to the strongest prochoice arguments found in law, science, philosophy, politics, and the media. He explains and critiques Roe v. Wade, and he explains why virtually all the popular prochoice arguments fail. There is simply nothing like this book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
