CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 172 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The publisher is William R. Parks www.wrparks.com The books are printed by CreateSpace. For over twenty years Gerry Rising has been writing a weekly Nature Watch column for The Buffalo News. This is the second collection of his columns now available in both paperback and eBook formats. Harold Stiver, the superb Canadian nature photographer, has joined Dr. Rising in this publishing project and most of the photographs that accompany the columns are his. Rising's current readers will find much here to reinforce their appreciation for his essays. Those as yet unfamiliar with his work have a real treat ahead as they accompany him on these natural history excursions. Dr. Gerald R. Rising Sr., the Gerry Rising of these columns, is State University of New York Distinguished Teaching Professor Emeritus at the University at Buffalo. His day job at the university was working with school mathematics teachers and teaching mathematics and computer science. He is the author of over a dozen mathematics texts, the most recent, Program Your Calculator and About Mathematics, the latter a unique approach to this subject for college liberal arts students. Not a professional biologist, Professor Rising seeks to communicate to his readers his own involvement with and love of nature. He has explored the out-of-doors through hiking, canoeing and biking. In 2013, at age 86, he plans to ride his motor scooter on a camping trip around the boundary of New York State, having completed similar circumnavigations of all the Great Lakes. Rising lives with his wife Doris in Amherst, New York, a Buffalo suburb. He has two children, four grandchildren and two great grandchildren. Harold Stiver is a partner in...
