

Viral Learning: Reflections on the Homeschooling Life (Paperback)

By Mary Griffith

Lulu.com, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Now that active homeschooling was coming to an end for our family, I found myself pondering its long-term effects: How different am I from the person I would have been if I d not been a homeschooling parent? How have my interests and values changed because of our kids learning at home? How are my kids different from their peers? Suddenly, after all these years, I realized there was another homeschooling book in my head. But this book isn t another guide to how to homeschool, nor is it meant to help homeschooling parents survive the empty-nest syndrome. This book is personal. It s a reflection on how I (along with a few of my friends) came to homeschooling, how it affected us and our view of the world, and how those changes in us may spark changes around us.
