

Relevant Examinations Answers for Medical Microbiology Immunology (Paperback)

By William Yotis PhD

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This study aid is valuable to medical students and allied health students who are taking or took medical microbiology and immunology and wish to prepare for the USMLE Step 1, or other related microbiological and immunological examinations. This book contains 803 essential questions with detailed explanations for right and wrong answers, which set subject-by-subject for focused attention where you need it most. The questions parallel the USMLE Step 1 style including single-best answers and clinical vignettes. There are also illustrated questions that build skills in interpreting graphics and tabular data. At the end of this study aid there is a practice test composed of 150 questions and answers associated with the previous chapters on medical microbiology, virology, immunology, mycology and parasitology.
