Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Surgery of the Vascular System Inspired to renewed efforts by the achievements of Carrel, and founding their work upon his tenets, workers in clinics the world over have carried out many brilliant researches. Numerous modifications of his suture method have been suggested, for example, those of Payr, Dorrance, and others, and to a certain extent have been adopted, but all have lacked that perfect simplicity so characteristic of the Carrel method and so essential to success in vascular surgery. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
