Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

GABRIEL-ERNEST AND OTHER TALES

Alma Books Ltd. Paperback. Book Condition: new. BRAND NEW, Gabriel-Ernest and Other Tales, The local landowner Van Cheele experiences an unnerving encounter with a youth sunning himself near a pond, and starts to wonder if there is any connection between this wild-looking boy and the recent disappearances of poultry, hares, lambs and, more alarmingly, an infant child in the area. To his astonishment, he discovers the next day that his aunt has decided to take the boy in, buying him a suit of clothes and naming him Gabriel-Ernest. Van Cheele remains suspicious, especially when it is revealed that there is something supernatural about their new ward.
