Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What would the war cry of a mostly introverted, mentally ill, autistic, genderqueer, physically disabled, feminist, atheist, polyamorous woman sound like? A lot like this. Using a combination of essay and free-form poetry, R.K. confronts the status quo and dissects it, inspecting its parts and discarding the bad bits. In spite of tackling some obviously serious and controversial topics, such as abortion and the anti-vaccination movement, she approaches her subjects with humour and then slaughters them with equal parts derision and kindness.
