Chronic back and neck pain is a thorny issue that plagues millions living in today s modern world and has the power to take over a person s life--not just physically, but also psychologically, emotionally, and physiologically. The good news is that there are effective ways of dealing with chronic pain that allows patients to return to a productive life without undergoing unnecessary surgery. Dr. Jordan Fersel is a board-certified pain specialist who relies on his diverse professional experience to distinguish the differences between acute and chronic pain, scrutinize the accuracy of an MRI scan to diagnose pain, examine the architecture of the spine, explain nerve injuries, differentiate between the various types of arthritis, and offer potential treatment options. Through included case studies and illustrations, pain sufferers will learn there is hope for managing pain through proper diagnosis and a treatment plan tailored to treat individual needs. It s Not All in Your Head shares guidance from a trusted physician that explores chronic back and neck pain, its sources, and the many treatment options available.
