DEMON SAYS. (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Simca Martinez couldn't believe at 33 she'd landed the position as Lead Researcher for the Ancient Text Department at the National Archive. Her life became one big research project, so she barely had time for friends and family, let alone a significant other. During one of her weekly girl's nights her bestie Samantha brought out a Ouija board stating that Sim needed to live a little; and an incubus would do just the trick! Simca was having no part of it. Simca figured it would just be her luck that some spirit would show up, then commence to reek havoc on her life! So, when Kasari did show up stating that he'd been summoned by her friends, Simca knew she had one chance to get rid of him, despite the fact that he was ass spanking hot! Would Sim give in to him and spend the rest of her life as his sex slave, or would she find the right spell to send him right back to where he came from; even if he did give her pleasure she never knew existed!.
