Reach Personal Branding. Paperback. Condition: New. This item is printed on demand. 252 pages. Personal branding is today's killer app and must-have skill for career-minded leaders, executives, their teams, and their companies. Why? In today's new world of work every executive is a contract player, every company needs strongly branded employees, no one has any time--and traditional career management just doesn't work. What does work? Personal branding--and Ditch. Dare. Do! leads the charge with executive branding revolutionized for the time-intensive, rapidly evolving 21st century workplace. Ditch. Dare. Do! is filled with fast, fun, furious branding--66 bold and brief tips designed for today's 24/7 schedules and dwindling attention spans. It's the definitive (and irreverent) career and corporate success plan for defining, aligning, and living the power of brand--with an action plan that can be executed in 9 minutes a day! Challenging long-held assumptions and habits, the authors dare the reader with a ditch (a mindset that must be shattered), a dare (a challenge to up their game), or a do (a critical action that must be taken to ensure success). Although Ditch. Dare. Do! is revolutionary, it's also evolutionary--the next-generation of time-tested Reach Personal Branding methodology developed by author William Arruda (dubbed Personal Branding Guru by Entrepreneur), and used by Fortune companies, leading universities, and hundreds of Reach's Certified Personal Branding Strategists worldwide for more than a decade. Executives (indeed anyone building a career) who follow this proven GPS for success will advance faster, support the corporate brand, deliver greater value to their companies--and become influential, indispensable, and incredibly happy at work!
